I used to bleed here. This is the place I used to bleed. I was not afraid to bleed here. We bled here. This is the place I used to tell you how my skin, scalded and peeling rage, my...

[BleedCatcher Lite 1.0](#)

This application finds insufficient bleeds on boxes and lines in QuarkXPress. You can open multiple docs, and error bleeds are indexed so you can quickly take care of them when job is done (analysis of bleeds is time consuming). You can resume your work after making corrections. It finds even "internal" bleeds. Doc pages, not printer pages, are considered, so it works better than bleeds searching on some pre-flight programs. This is part of a pre-flight helper application that will be available soon.

[Breathe no more](#)

"I've been looking in the mirror for so long. That I've come to believe my soul's on the other side. All the little pieces falling, shatter. Shards of me, Too sharp to put back together. Too small to matter, But big enough to cut me into so many little pieces. If I try to touch her, And I bleed, I bleed, And I breathe, I breathe no more. Take a breath and I try to draw from my spirits well. Yet again you refuse to drink like a stubborn child. Lie to me, Convince me that I've been sick forever. And all of this, Will make sense when I get better. But I know the difference, Between myself and my reflection. I just can't help but to wonder, Which of us do you love. So I bleed, I bleed, And I breathe, I breathe no... Bleed, I bleed, And I breathe, I breathe, I breathe, I breathe no more." by Evanescence One of my favourite songs of Evanescence
